

Filing of Claims After 15 June 2021

Pursuant to the Court's decision of 15 February 2021, creditors were obliged to file their claims (and the documents supporting such claims) no later than 15 June 2021. The SIHNV claims administrator (ComputerShare) and the Administrators are now reviewing the claims and supporting documents received on or before 15 June 2021. Please note that claims filed after 15 June 2021 will not automatically be placed on the list of creditors

However, under the Dutch law, creditors are allowed to file claims after the 15 June 2021 deadline (cmp. S. 265 (2) DBA). They are deemed – by virtue of their claim filing – to also make a request at the meeting regarding consultation and vote on the SIHNV Composition Plan to be admitted to the list of creditors. To the extent required, such creditors may be asked to provide a proxy to effect such request. In order to prevent any dispute or uncertainty in this respect, creditors are urged to file their claims as soon as possible, and in any event **before c.o.b. (CET) 19 August 2021**.

Please note that placement on the list of creditors is not a prerequisite for receiving payment under the SIHNV plan of composition. Also, creditors will not - by virtue of filing a claim too late - lose the right to vote on the SIHNV Composition Plan since the committee of representatives has the exclusive right to vote on the SIHNV Composition Plan. Finally, pursuant to the Court's decision of 28 May 2021, no list of creditors' claims will be prepared for creditors that qualify as 'MPC Claimants' (as defined in the SIHNV Composition Plan).
